2026 Apprentice Graduates

NOTES FROM THE OFFICE

We hope everyone is having a great summer.

After a sluggish winter, work has taken off this spring.

At the June meeting, we initiated the new class of apprentices, which is one of the most important things we do for the sustainability of the Local. I would also like to congratulate the new graduates this year.

We have made great progress on our new training center. We have the certificate of occupancy in hand, and the Training Department has moved from St. Paul College to our new building in Eagan. They are currently setting up classrooms and starting to build the shop area.

We will have an Open House for our membership to take a look around on Wednesday, July 22nd, from 1 pm to 6 pm. No program is planned, it will just be a chance to walk through and take a look.

I encourage everyone to be cautious and stay hydrated in the extreme heat over the summer months.

I hope everyone has a great Independence Day weekend. The holiday is observed on Friday, July 3rd this year, according to our CBA.

Fraternally,

Dean W. Gale
Business Manager

NEW TRAINING CENTER

The JATC has officially moved out of St. Paul College to our new Training Center site at 3020 Denmark Ave, Eagan, MN 55121, telephone 651.315.4831. They are busy settling in, including setting up classrooms and the shop. All training moves out of St Paul College and the Union Hall, and takes place in the new building. Please stop by for the Open House on Wednesday, July 22nd, from 1:00 – 6:00 pm. We have no program planned, but you may walk through, ask questions, and see the future of our Local. If you are interested in shaping the future, please consider becoming an instructor. Contact Jonathan at Jonathan@plumbers34training.com.
