WATERS OFF 2007

“Waters off” was declared a huge success by the assistance agencies, Mechanical Contractors Associations, the people who received our services, and the volunteers who participated. We want to thank all the members who volunteered taking Saturday, April 7th away from their families and busy schedules to provide this community service to low income seniors and disabled households. Local 34 had 105 volunteer members in attendance with 40 trucks provided from 30 of our contractors.

Thanks to all who participated and supported this program!

HAVE A SAFE AND ENJOYABLE SUMMER!
