APPRENTICES MARK YOUR CALENDAR

School begins on August, 2016. Be sure you are registered and pay tuition by August 1st. Also, we could use volunteers at the Picnic on August 20th. This is a great way to reconnect with your classmates before school resumes.

If you currently carry a RPZ certification with the state of Minnesota, you will be required to update the certification to the ASSE standard. This will require a 24 hour class and test to obtain the certification. Classes will be offered by the JATC this fall. Watch the website for dates and times.

Remember to complete your continuing education requirements before you renew your plumbing license.

Please find continuing education class registration sheet enclosed. Any questions please contact 651-846-1389 or visit our website www.plumberslocal34.org for additional information.
